

**Leadership by Design Program
GUEST STUDENT
Application Form Guide**

Guest Student Status

Since Leadership by Design admits students only at the beginning of their Grade 10 year, some students in Grades 9, 11, and 12 will not be eligible for admission. In addition, some Grade 10 students—such as those who apply late—may also be ineligible. Students in these situations may still receive a limited set of services by registering as **Guest Students**.

Consider the status of the Guest Student.

Q1: *What kind of services would a Guest Student qualify for?*

A1: Guest Students are not enrolled in Leadership by Design and therefore cannot participate in most LBD programming. However, they may still be included in selected LBD activities when space allows. These opportunities may include workshops, online programming, access to certain SummerUp courses, and information about learning opportunities.

Offering these limited but meaningful services reflects our commitment to supporting students and parents who are seeking any form of learning enrichment. Even without full admission, Guest Students can still benefit from valuable experiences that encourage growth, curiosity, and continued engagement.

Q2: *What categories of students may be served by the Guest Student opportunity?*

A2: The following categories of students may apply for Guest Student admission:

- **Grade 9 students** who may be served as Guest Students until they enter Grade 10 and become eligible to apply for admission into Leadership by Design.
- **Grade 11 students** who missed the Grade 10 entry point into LBD but are interested in receiving limited leadership-development services.
- **Grade 12 students** who missed the Grade 10 entry point into LBD but are open to receiving limited leadership-development services.
- **Grade 10 students** who missed the LBD application deadline or whose Grade 10 academic schedule could not align with the demands of the full LBD program. These students may still access selected LBD services as Guest Students.
- **Siblings of Leadership by Design students** who may be permitted to accompany their LBD brother or sister at certain LBD activities in the capacity of Guest Students.

Q3: *Are Guest Students required to pay a fee?*

A3: No. Services provided to guest students are free of costs.

Q4: *How would guest students hear about the services that are available to them?*

A4: Guest Students will receive email notifications about available services, and their parents will also be informed by email. For this reason, Guest Students must complete the formal registration process.

Q5: *How does an interested student register for Guest Student services?*

A5: Students may enroll as Guest Students simply by completing the Guest Student application form. Here is the link to the form: ([GUEST STUDENT APPLICATION FORM LINK](#)).

Q6: *Should I have additional questions about Guest Students status or services, whom should I contact?*

A6: Contact the program office for more information: admissions@lileaders.com
